NEW METER SERVICE INSTALLATION

\$ _____ for meter \$ _____ Road Bore Total Fees Due \$ _____

Have you previously had service on our Water System? () Yes () No Date to start new service _____

I, we, understand as a customer, that I, we, are responsible for installing and maintaining a pressure reducer valve on my, our side of the meter to help protect my, our, water lines and prevent property damage from high or low pressures that could occur in the system.

I, we, the undersigned and above named applicant hereby request to be supplied with water by the undersigned Uriah Water System of Uriah, AL, for the purpose shown herein and none other. I, we agree to pay for the service at regular scheduled rates applicable from time to time as set by the Uriah Water System now or at any future time and to comply with the rules and regulations of the Uriah Water System of Uriah, Alabama.

I, we, further agree that:
The Uriah Water System shall retain title to all meters and other property furnished by it, and

I, we, shall be responsible for the safekeeping of all property of the Water System placed on premises where service received: and

I, we, shall guarantee free right of ingress and egress by the Water Utility employees to meters and other property of the Water Utility located on the said premises without obstructions (i.e., shrubs, decks, porches, parked vehicles, restrained animals, fences, etc.) :and

I, we shall not adjoin a supplementary water service to a new or existing water meter on the Uriah Water System's system: and

The Uriah Water System shall not be liable for damages because of interruption of the supply of water or by Uriah Water System against liability, loss or damage by reason thereof, and I, we, agree to indemnify the Uriah Water System against liability, loss or damage by reason thereof: and I, we, further agree to notify the Uriah Water System in writing one week (7 days) prior to vacating said premises or discontinuance of service for any reason: and

The Uriah Water System shall not refund any payments made by the applicant or property owner, for service from the property line to the meter, unless covered by separate agreement; and we the customer understand that Uriah Water System is not responsible for installing, maintaining, repairing, or any damages or leaks on customer side of meter which includes any lines hooked on back side of meter that is on their private property.

A late penalty of 15% of the current water fee will be added on the delinquent date printed on the water bill.

Discontinuance of service or Cut off Procedures will be as follows:

1. Any amount past due shall be cut off after the 2nd billing cycle; and
2. Cut offs will be performed on Monday through Friday of each week; and
3. A reconnection of \$60.00 will be charged to reinstate service; and
4. The account must be paid in full plus reconnection fee before service will be reinstated; and
5. Meter readers are not allowed to collect payments in field, unless authorized by management.

The Uriah Water System shall have the right to discontinue service without further notice in case of the application failure to comply with this agreement or any part thereof, I, we, agree that any unpaid balance(s) on established account for service rendered, will be paid promptly at time service is discontinued.
